

Problemet/
utfordringen
som skal
løses

The image features a light gray background with a grid of thin blue lines. In the center, there is a circular area defined by a dense, overlapping scribble of blue lines. Inside this scribbled circle, the text "Problemet/ utfordringen som skal løses" is written in a black, sans-serif font, centered and arranged in four lines. A single, smooth blue line extends from the right side of the scribbled circle, curving slightly upwards and to the right.
